Foreword

THERE is a great deal of concern about education these days—and rightly so. Perhaps I am merely repeating expressions which you have heard before. In any event they are matters which have been of some concern to you, and from graduation on, will be of supreme importance to all of us.

You may not be aware of it yet, but you are graduating from a High School with a very enviable record in Alberta. This does not imply, however, that your education has finished or even has really started, in the true meaning of the word.

The High Schools, by themselves, cannot produce educated men and women. They can only produce men and women who have the basic tools with which to acquire an education. Our schools are obliged to train, rather than to educate. They cannot inculcate into their pupils

that sense of values which is the hallmark of a true education. It is possible to go right through High School with high marks and to emerge with little or no appreciation of the values upon which our civilization is built.

A teacher of New York University recently remarked concerning the average American college graduate:

"He is a specialist. He knows his field, but he is not an educated man. Watch him at play and you know at once that he has never been initiated into the graces of creative leisure. For we Americans are still the most over-taught but under-educated nation in the world."

Honest people will admit, I think, that the above applies with equal force to most High School and University graduates in Canada.

Many people insist, however, that education means simply going through a particular school system. If this be true, how can we explain the tragic cases of Germany and Japan? Both countries had elaborate systems of State education. Japan, in particular, claimed the lowest illiteracy rate in the world. Yet they became bullies, individually and nationally, and school graduates regarded aggression and sometimes extreme cruelty as normal and honorable forms of behaviour.

It is, of course, easy to criticize and disclaim, but difficult to mould and construct. So it is with education. I cannot define education, but most of us can recognize an educated man when we see one, and we recognize him par-

Valedictory

THREE years ago, we entered High School as Freshmen, with Graduation just a far-off dream, an objective. Tonight, we have realized that dream, fulfilled that objective. And thus, with hope, mixed perhaps with a little fear, we face the future.

The years a student spends in High School are of vital importance to him or to her, a link, so to speak, between youth and young manhood and young womanhood. During this time we must lay aside petty cares and troubles and assume duties more arduous and more far-reaching in moment. It is a period when one chooses friends, when habits of life are formed and when the entire pattern of one's career is carved and molded into definite form. Our outlook on life is broadened and enlarged to keep abreast of the rapid pace of time.

To the Faculty, we say "Thanks", not only for the credits you helped us gain, but for something finer, the development of those qualities of character which will enable us, we hope, to carry our share of life's responsibility.

With the completion of our High School course we have paid part of our debt to society by the development of our talents so that we may live lives which will be a benefit to others and a pleasure, to ourselves. We have become individuals and are ready to travel the paths laid out for us. We shall know our station and the art of associating with people for a common betterment.

Often we will recall these cherished memories of Central, our first dance, first school game, first report card and all those things which make high school the beloved institution of life it has become.

From our class-mates we have encountered a spirit of comradeship, sportsmanship, scholarship and thoughtfulness for each other, which will always be retained whatever our position may be.

As we leave the school for the last time, as students, we will look back with tears in our eyes, but with heads high, we give the key of Central, to our successors and are confident they will take up the torch that is already burning and keep it alight, never letting Central High down.

Our departure draws near and words cannot speak the message in our hearts. Only actions will prove our gratitude. We will say Thank You by proving ourselves worthy to say we were students of Central and making you proud to say we were yours.

—JEANNE ADAMS.

Valedictory

Pete Simon

THREE years ago most of us knew very little of Central High School. Of course, there were rumors as to the age of the venerable institution (I don't think anyone knows just how old Central is) and about the keen interest in Athletics taken by the students, and we had been definitely informed concerning the high educational standards set by the school. We knew that year after year Central had walked off with major honours in the scholarship field even though failing to win a Track Meet. Today Central wins Track Meets as well as scholarships.

Then we came to Central. We'd been told that the first year would be tough. It was. What we weren't told however, was that the following terms would be even tougher. Many of us were inclined to take it easy for the first two years. Now, most of us realize that this attitude won't pay off as far as struggling out of Grade Twelve is concerned.

We've made the grade though, through Grade Eleven anyhow, that's why we're here tonight. You know it seems rather humorous receiving a Diploma before one has passed the final examinations. Another evidence this, of the marvellous faith the Central teachers have in their students. It's too bad the parents aren't imbued with the same optimism.

Most of us have been at Central for three years. Three years, that's a long time in anybody's life. But has it been long to us? For myself, those years have passed with the speed of the proverbial bullet. It seems only yesterday that we were back sweating it out in Grade Ten. But of course, we didn't know what work was until we hit Grade Twelve.

Have we enjoyed our High School adventure? I think that we shall look back upon it as the happiest period of our lives. My only regret is that I cannot spend another three years in this school and I'm not joking when I say that.

Of course our happiness here has been the result of many things. Sports and Social Activities have contributed their share. Underneath these however, has been the consciousness that we, in advancing in knowledge and wisdom, have been preparing ourselves so that some day we may capably fill positions in Canadian Society.

We have obtained an education at C.C.I., but more than that, we have been partners in a fellowship that we shall remember the rest of our days. We now realize that in selecting Central as "our" school, we picked the "best" school in Alberta, the "best" teachers in Alberta, and we chose to associate with the kind of classmates whom anybody would be proud to call friends.

Yes, there will always be a spot in our hearts for Central. This grand old school may forget us, but we'll never forget her.

—PETE SIMON.

In Appreciation

YOU now have in your hands the 1947 edition of the C.C.I. Analecta. The purpose of the Analecta Staff was to publish a year book which would live up to the high standards of its predecessors and give a clear-cut record of all school activities of the past year. We hope we have done just this and that this book meets with your wholehearted approval.

It was my privilege this year to work with a Staff that gave its full and untiring attention to the publication of the Analeca. I shall always be grateful to the members of my Staff. My appreciation cannot be put into words, so to them I simply say "Thank You". I should like to take this opportunity to also thank Miss Kaulbach and Mr. Weir. Their advice and aid proved most helpful at all times and I am deeply indebted to them.

This year, I would like to dedicate the Analecta to the graduating class, the men and women of tomorrow. On these graduates rest the responsibilities and worries of a troubled world. It is their duty and privilege to help solve these problems, and so, on behalf of the Staff and myself, I wish you all the best of luck in accepting this challenge.

—W. G. N. EGBERT, Editor.

FOREWORD

(Continued from Page 4)

ticularly by his character,—in other words, by his actions in matters big and small.

In a book entitled "Some Tasks for Education", Sir Arthur Livingstone states:

"The real modern problem is to humanize man, to show him the spiritual ideas without which neither happiness nor success are genuine or permanent, to produce beings who will know not merely how to split atoms, but how to use their powers for good."

And again in the same book:

"The ultimate aim and essence of education is the training of character."

Today it is unfortunately the fashion with some older people to paint the inevitable dark picture, to think that young people lack the stamina and fortitude that they need today and more particularly that young people lack the character which their parents had. I doubt this very much.

It would be easy and most pleasant to tell you, as graduates, that you are going to win for the world new accomplishments and for yourselves new successes. I do not intend to do this. You will agree, I am sure, that we all do not accomplish what we plan to do. But of this I am certain. You will all have the opportunity and each in his or her own way will do something, great or small, of which we can be justly proud. Good luck to you all.

—R. W. Brookes-Avey.

Students' Council—1946-47

The Council Organization Committee successfully started this year's Council in early November. The Executive was as follows:

Honorary President	Mr. F. D. Weir
Honorary Vice-President	Mr. W. G. E. Pulleyblank
President	Pete Loughheed
Vice-President	Nancy Collinge
Secretary	Pat Chisholm
Treasurer	Don McIlroy

An active Council, sparked by a live wire Executive, worked hard to produce a lot of concrete benefits for Central. Most noteworthy of these improvements was the inception of a Students' Union. A Booster Club and Boys' Athletic Association were also formed. Changes were made in the letter award system as well. A very successful dance, "Spring Fever", highlighted the entertainment side of the Council activities.

C.C.I. Students' Union

February 5th, 1947, a date that will long be remembered in the history of Central High School. That day the Student Body gathered together to learn of the benefits of a Students' Union, and to later vote for or against it.

Before this, however, much time and work had been spent by a committee appointed by the Students' Council with Pete Simon as chairman. They made inquiries, obtained information, and studied extensively various Students' Unions. This committee and the Council drew up a tentative constitution. It was this that was presented to the students by Pete Simon, February 5th. Main point was the fee of \$1.00 for which members would have reduced rates at school functions, preference in school activities, ticket sales and so forth. Pete Lougheed also spoke at the Assembly and told of the need for a Union at Central, in order to be able to compete with other schools in sports, etc. The next day, 95.6% of the pupils voted in favor of the Union. This great majority meant co-operation to a great extent for its success.

Immediately, "Union Week" was declared, during which fees were paid promptly in return for a Union Card. The present Students' Council was named functioning body of the Union, with the same executive.

Under the jurisdiction of the Council, a much needed Boys' Athletic Association was formed for the purpose of co-ordinating boys' sports throughout the school, and their expansion. The Association's main project was to make an inventory of all rugby equipment and a recommendation for over \$300.00 was made to the Council for new equipment. This was granted along with the capital to purchase additional track shoes and softball equipment. Also to operate under the Council, was the newly formed Booster Club. They were given funds by the Council to make vast improvements in Central's cheering section. The result was the most colorful section we have ever known. A souvenir basketball programme was edited by the Booster Club, and financed by the Council.

April 3rd saw the first Union Dance, "Spring Fever", an overwhelming success. Sonny Fry was in attendance and a large profit was recorded. Following the Track Meet, the Union sponsored a Track Dance, free to all Union members. Once again it was well supported and an orchestra supplied the music.

The Union activities were wound up at the combined Awards and Union Assembly, at which the treasurer, Don McIlroy, gave a complete financial report.

At the close of the first year that a Union has operated in our school, we feel it has been advantageous and its numerous benefits were felt throughout by the students. Those who worked so diligently to obtain it can take pride in its outstanding success and know they have done a great deed for Central.

The C.C.I. Weeper

The Weeper had a record subscription of 525 this year, with Blake Lilly, editor; Fay Arney, assistant editor; and a capable staff.

The paper had the privilege of announcing many outstanding changes and events around Central, including the formation of the Students' Union, Boys' Athletic Association, and the Booster Club.

An informative addition to the magazine was the monthly column, "The President Speaks", written by our President, Pete Loughheed. Through this, the students were kept well posted on important school events.

The staff is indebted to Mr. Wm. Jones, their Literary Advisor, and Mr. Weir in charge of finances.

FRESHMAN'S FRIDAY . . .

November 15th saw the Boys' Hi-Y sponsoring the third annual Freshman's Friday, with Elmo Johnson making an excellent M.C. The evening's highlight was the presentation of Shakespeare's "Julius Caesar", starring Bill Fayter. A talented (?) quartet, consisting of Bill Egbert, Gordon McConkey, Bob Crisall and Blake Lilly, made several appearances, after which everyone got together and danced.

RUOFMOOR FANTAPSODY . . .

The evening's entertainment presented by Room 4, January 24th, under the tongue-twisting name of "Ruofmoor Fantapsody", which is Room 4 spelled backwards, was the first class-sponsored dance in two years and proved a great success. With Gordon McConkey, his jokes and fur coat, as M.C., a fine programme was presented. Among the stars were Asa (Arnold Kipnes) Jolson and his inimitable version of April Showers, and Pete Simon and his Ruofmoor Rheumatism Remover Quiz. Dancing brought the Fantapsody to a conclusion.

SPRING FEVER . . .

Central's first Union Dance was held April 3rd, in the Auditorium, with President Pete Lougheed ably handling the Master of Ceremonies duties. Sonny Fry supplied the music for the many dancers. The popularity of Central was proven in that there were as many non-Union members, who were charged double, as Union members in attendance.

BASKET BALL . . .

On Friday, May 9th, the Senior Girls' Hi-Y entertained Central's Interscholastic Basketball Teams at their second annual dance "Basket Ball". Music was supplied by the Music Makers and it was rated a great success.

TRACK DANCE . . .

Sponsored by the Union and managed by the Booster Club, the dance was held May 30th, following the Interscholastic Track Meet. Union members were admitted free of charge and an orchestra once more played for the dancers, making it a highly enjoyable climax for the Sports Day.

GRADUATION DANCE . . .

The graduating class and their friends were entertained by the Home and School Association at the annual "Graduation Dance", held June 13th in the school auditorium, with Bruce Bristowe and his orchestra supplying the music.

Many thanks go to the Home and School Association for making the evening so enjoyable. It was one that will never be forgotten by the Graduating Class.

Assemblies

INTRODUCTION DAY . . .

As in past years, the Boys' Hi-Y sponsored the first Assembly of the year before the school term was a week old. The purpose was to introduce to the incoming Freshmen, their teachers. Don McIlroy, the chairman, introduced each teacher, and Mr. Churchill gave an inspiring talk on Central's traditions, both academic and athletic.

SCHOLARSHIPS . . .

The student body gathered together September 13th for the presentation of Scholarships, won by our students in the past year. Mr. W. F. Reid, Chairman of the School Board, presented the three Viscount Bennett Scholarships. Alberta Okazaki and Dorothy Hayhurst each received \$100.00 cheques for having the highest standing for boys and girls respectively in Grade Twelve Examinations in the province. The third Scholarship, of \$50.00, was presented to Gail Ward for obtaining the top standing in Calgary in Grade Nine Examinations. Gail was a former student of Rideau Park Junior High School. To Nancy Collinge went the \$16.00 McKillop Scholarship for the highest marks in Grade Eleven. It was proven that Central students are well represented in the field of academic awards.

PRESIDENTIAL CAMPAIGNS . . .

On November 5th the students gathered in the Auditorium to hear the Presidential Election Speeches. Mr. Churchill introduced the two candidates, Nancy Collinge and Pete Lougheed, supplying the students with information about each. Nancy mentioned the Council needed a feminine touch and promised to do her utmost to make all activities a success. Pete gave a platform of modern methods and improvements so that Central would attain even greater heights, which he promised to follow.

The students cast their ballots November 7th, and, after a close race with Nancy, Pete Lougheed was elected President of the Students' Council for the 1946-47 school year.

STUDENTS' UNION . . .

On February 5th an Assembly was held for the students to learn the advantages of a Students' Union and what it would mean to our school. Pete Simon spoke first and told of the financial help it would be and outlined a provisional constitution. Pete Lougheed followed, appealing to the softer side of the students. He also told of the necessity for Central to have a Union in order to compete with other schools. Two days later 95.6% of the student body voted for a Students' Union.

ON TRACK . . .

The morning before Eliminations for the Track Meet took place, a cheer rally was held. Arnold Murray, President of the Booster Club, was in charge. Mr. Churchill introduced the students to a new idea involving cards in school colors to be used at the Track Meet. The Cheer Leaders took over for the remainder of the period to practice cheers for the Meet.

STUDENTS' UNION AND AWARDS ASSEMBLY . . .

Awards Day is probably the most inspiring day during the school term and this year it was heightened by the addition of reports on the newly formed Students' Union. Don McIlroy presented a complete financial report on the Union, and Pete Loughheed outlined the Union's progress. The Francis Woolverton and Murray Law Memorials were presented to the best all-round girl and boy respectively. Letters and Letter Pins were given to the Lettermen and Lettergirls. Among the many sports awards presented were the Kappa Kappa Tau Memorial Sweaters, given to outstanding athletes in each grade, and trophies for Basketball, Bowling, Track and Rugby.

GRADUATION EXERCISES . . .

The Graduating Class of 1947, consisting of sixty-nine boys and fifty girls, assembled in the Auditorium, June 16th, for their Graduation Exercises. Mr. W. F. Reid was chairman for the evening, and Rt. Rev. H. R. Ragg, Bishop of Calgary, gave the address.

The Valedictories were delivered by Jeanne Adams and Pete Simon. Mr. F. D. Weir introduced the girl graduates, while Mr. W. G. E. Pulleyblank introduced the boys, and Mr. P. P. C. Haigh presented programmes to each.

Caroline McFarland, a member of the Graduating Class, was the vocalist. The School Orchestra contributed several numbers to help make the impressive evening a cherished memory for the graduating students.

French Clubs

In October two French Clubs, a Senior and a Junior, were formed under the sponsorship of Miss Maxwell. The senior group, directed by Aileen Wilson, chose for its officers:

President	Phyllis Tinney
Vice-President	Pat Riley
Secretary	Florence Long

French Club

The Club met every Wednesday for meetings, conducted in French, with programmes of songs, games, dialogues and conversation. This gave the members an opportunity to improve their pronunciation and their facility in the use of French.

Miss C. Barclay of Western Canada High School, addressed the members at their Christmas meeting and described the celebration of the Christmas festival in France. Miss May Powell lead the club in the singing of French songs.

The Junior Club, under the direction of Willa Mack, had a membership of eight and held weekly meetings from October until January, when they united with the Senior Club.

YOU'RE LUCKY

The Teacher's pants were rolled up high,
His tie was loud and long.
His socks were enough to drive one mad,
And most of his grammar was wrong.

He chewed on a stick of week-old gum,
His shoes were a messy disgrace.
His hair was dirty, and hung so that
You could only see part of his face.

From his bright blue shirt to his laces,
From the tip of his nose to his toes,
His languid frame seemed to flow around,
And the slouch was his everyday pose.

A cigarette hung from the side of his mouth,
As he dictated his incomplete notes.
He lolled in his chair like a worn-out sock,
And he smelled like he lived with some goats.

The teachers he taught with were all just the same,
In a slovenly, unkempt way.
Blue-jeans, and crews, seemed to be right,
And short skirts, the fad of the day.

This isn't quite true, but it surely could be,
If the teachers would go crazy too.
Be thankful, kid, that this isn't so,
That the teachers don't look just like you.

The Home and School Association

The opening meeting of the Home and School Association was held in October, when the following officers were installed:

President	Mrs. Bowman
Vice-President	Mrs. Steeves
Secretary	Mrs. Stephen
Treasurer	Mrs. Reynolds

On November 7th the annual Membership Tea, which was a great success, was held. Scholarship Night, also in November, saw Harvey Buckmaster presented with a \$50.00 Scholarship, and a motion picture, entitled "Coast to Coast" showed by Mr. Phillips. For the remainder of the term, several very enjoyable programmes were provided by the Dramatic Class and students of the school. The Graduation Dance, in honor of those planning to leave school, brought to a close the year's activities.

We wish every success to the Graduating Class of 1947.

School Orchestra

The C.C.I. Orchestra, under the baton of Miss Powell, supplied the music for Graduation Ceremonies and played an outstanding part in the Talent Festival. Miss Powell is to be thanked, for she has spent much of her time instructing the students in both appreciation and actual work. Members of the Orchestra were: Shirley Knight, Nan Madocks, Lolia Cooke, Kitty Moore, Joyce Wonnacott, Pam Clarke, Fay Arney, Sharon Haw, Dave Laven, Vern Trevoy, Ken Sharratt, Leonard Hurov, and from Western, two faithful supporters, Margaret Beatty and Miras Komusi.

Once again the Senior Girls' Hi-Y is able to look back on a successful year. For the first time the membership was open, and consequently it was much larger, numbering fifty-five. Activities during the year have included an annual welcoming party for grade ten girls, sellings of school Christmas Cards, a Christmas Party for the children of the Salvation Army Home, and selling soft drinks at school functions. Speakers have included the Rev. Dean Smye, Miss Riley of the Public Library, and two gentlemen who lectured on tuberculosis. The year concluded with the second annual "Basket Ball" on May 9th, held in honor of the Interscholastic Basketball Teams.

Talent Festival

In place of the Annual Play, the students this year took part in a Talent Festival, held April 25th. Pete Loughheed, school president, was chairman. The School Orchestra and Choir, under the direction of Miss M. M. Powell, performed several numbers which were well received. Miss James directed a group of girls from her P.T. Classes, in folk dances and a Sailor's Hornpipe. The girls wore smart costumes which greatly added to the effect. The Girls' and Boys' Tumbling Clubs went through some intricate routines, under the capable direction of Fay Arney and Ross Lawson.

Bud Culkin and Chester Allen played a drum duet, which was novel and very much enjoyed. Fay Arney's dance will long be remembered, and likewise Arnold Murray's flute solo. The highlight of the evening was the two dramatical productions, "Home Coming" and "To Meet The Chinooks". "Home Coming" was written and directed by Mrs. S. E. Carsley, with the cast, members of the Dramatics I Classes. The members of the Dramatics Club took part in "To Meet The Chinooks", which was written by Alan Fraser, a former Central student, and directed by Miss Kaulbach.

Dramatics Club

The Dramatics Club was again organized this year under the capable supervision of Miss Kaulbach. The club presented the play "To Meet The Chinooks" in the school's Talent Festival.

The Executive included:

Hon. President	Miss Kaulbach
President	Ralph Huband
Secretary	Len Holman

Front Row—Dave Wilcox, June Larsen, Fay Arney, Brian Exton.
Back Row—Jim Willox, Len Holman, Rolph Huband, Ken Korek.

Third Row—Bob McLeod, Dick Timms, Arnie Murray (Pres.), Blake Lilly, Bud Culkin, Doug Grey, Bill Wolley-dod.

Booster Club

For the first time in the history of Central a school Booster Club was organized this year. Although it wasn't started until January, it has proved itself a worthy organization in the boosting of Central and its school functions.

The club took over the selling of all tickets, improving our cheering section, entertainment between basketball games, editing a souvenir basketball programme, and managing the Track Dance.

The Cheer Leaders came under the jurisdiction of the club and new cheers were adopted with Verlie Carmichael, Eileen Mair, Barbara McLeod, Jean Turner, Dick Timms and Blake Lilly appointed as the new Cheer Leaders, resulting in the best cheering section Central has ever known.

The Executive:

President	Arnold Murray
Vice-President	Elmo Johnson
Secretary-Treasurer	Barbara McLeod

Gamma Phi

The Gamma Phi is the Central Council and co-ordinating body of the Senior Boys' Hi-Y Clubs in this city. It consists of twelve members, three representatives from each of its four senior clubs. The executive is:

Advisor	Ray Atkinson
President	Arnold Murray
Vice-President	Cam Harris
Secretary	Don Hutcheon
Treasurer	Roy Reynolds

During the year the club sponsored two dances, a charter night, and party for the Hi-Y Clubs, and was host for the 1947 Regional Conference. Central members of the Council are: Arnold Murray, Roy Reynolds, Ed Whittaker.

Gamma Chi

The Executive of Gamma Chi, Inter-Club Council for Hi-Y during 1946-47, was:

Advisor	Miss Foster
President	Margaret Beatty
Vice-President	Wilda Fitch
Secretary-Treasurer	Sharon Haw

Under the leadership of Miss Foster, who moved here recently from Victoria, where she did similar social work, Gamma Chi spent a very productive year. They sent Anne Millican and Marg. Beatty to Victoria as their delegates, took an active part at the Edmonton Conference, and held a successful rummage sale. The supper meetings held at the Y.W.C.A. once a month were greatly enjoyed.

Inter-School Christian Fellowship

Under the leadership of Miss Bessie Dodds, the I.S.C.F. met every Friday noon. Portions from the Gospel of St. John were studied and speakers from Japan, Australia and the West Indies lectured. The Central Group joined with other groups throughout the city for parties and socials.

Officers for 1946-47 were:

President	Audrey Tournay
Vice-President	Irene Jenkin
Secretary	Pearl Englund
Social Convenor	Shirley Knight

Boys' Athletic Association

Operating on a trial basis in this, its first year, we believe the Association's accomplishments are sufficient to warrant its formation again next year. The major project undertaken was to take an inventory of all the rugby equipment on hand, making a recommendation to the Council for new equipment.

A basketball committee was set up to handle the House League play-offs, resulting in much time and confusion being saved. Through the Association's efforts, Mewata Stadium was made available for track practice and elimination day. They also obtained track shoes, judges and trainers for the Track Meet. House League Softball was organized and efficiently run off under the direction of an appointed committee.

Officers for the year were:

President	Bud Milner
Vice-President	Ted Allison
Secretary	Bruce MacDonald

Front Row (left to right)—Elmo Johnson, Paul Skitch, Arnie Murray, Doug Gray, Bud Culkin, Bernie Cohen, Pete Simon, Dave Smith, Fred Ashdown.
Second Row—Ted Allison, Grant Spiro, Howard McCollister, Bob Brockbank, Cal Oughton, Dave Laven, Ted Jakeman, Ed Arnold, Bob Gilhooley.
Back Row—Don McIlroy (Coach), Mike Hall, Ted Allan, Fred Hilderman, Dave Buckley, Ron Parker, Phil Ross, Don French, Jim Seymour (Coach).

Senior Football

Coached by Don McIlroy and Jim Seymour, the Senior Rugby team was made up of most of last year's Intermediates, who, with an extra year's experience under their belts, were a tough team to stop.

Although hard pressed for heavy pads, the lack of good equipment didn't seem to stop the eagerness with which the boys played the game, and more often than not it was the opponents who were the last to get up.

Captained and quarterbacked by Ed Arnold, a hard blocker and tackler, and with Dave Laven, Jack Belkin and Arnie Murray supplying most of the gains, the backfield seemed to have everything but good ball handling.

The line, averaging about 165 pounds, was very rugged, and it took quite a bit to go through it. Pete Simon and Ted Allison guarded the ends with robust tackles Bob Gilhooley and Elmo Johnson in on every play. Cal Oughton was outstanding at centre and was guarded by Bob Brockbank and Ted Jakeman, two rough guards. All other players played well when on the field.

The brains and field generalship gave Ed Arnold, the quarterback, a spot on the All-Star team, and from the line, Elmo Johnson, Cal Oughton and Ted Allison were voted for the All-Star positions.

Junior Football

Consisting mainly of grade 10 boys, the Junior Football team was nosed out by Western for the league championship. Coached by West-end stars Pete Lougheed and Bud Milner, these boys, few of whom had played organized football before, were welded into a very fine machine that would do credit to any school.

The brains and captain of the team was quarterback Sherrold Moore, who often bewildered his coaches by his readiness to take chances. Behind Sherrold was pile-driving full-back John Fisher and halfbacks Clive Cowin and Wayne Moore, who handled the kicking chores. The line was centered by big Bob Dinkel who was consistently piling up plays in the opposition back-field. Guards Larry Fish and Don Millard could be counted on when the going was tough. Second year men Jim Whitford and Jim Millard were renowned as tackles and were noted for their hard tackles despite their lack of equipment. The end position was the strongest in the league with two stalwart pass catchers and hard tacklers in Ted MacDonald and Jim Fyfe. The flying wing slot was very capably handled by Doug Hamilton, who could skirt the end very quickly on a deceptive reverse.

All Stars were: end, Jim Fyfe; tackle, Jim Millard; and guard, Larry Fish.

Senior Boys' Interscholastic Basketball

The Central Seniors, composed of the nine best basketball players in the school, was a well balanced squad, utilizing to full advantage both height and speed. Having about six of last year's team again on the roster, plus some newcomers, but by no means amateurs, the Seniors played a very inspired brand of ball most of the time, but could also play very ragged ball.

The team was composed of some of the best shots ever to come to Central. Jim Seymour looked after most of the rebounds around the opposition basket and was the key man on the attack, for, as well as feeding sharp-shooting Bud Milner and Ross Lawson in the corners, he also got more than his share of baskets even though closely guarded. "Dead-eye" Bud Milner could always be counted on when the going was toughest, and Ross Lawson, almost infallible on long shots and a great play-maker, could also come through in the pinch. Harry Webber, a great play-maker and wicked shot, kept the opposition guessing most of the time with his deceptive faking; also good on rebounds. Dave Snow, a very good shot and a hard man to check, was noted for his

ability on long shots. Guard Don McIlroy was a very aggressive player and exceptionally good on defence; a hard job to get a rebound from him. Brian Gibson, the guard with springs in his legs, could take a rebound from anybody, a very close checker and good material for next year's team. Pete Loughed, the smallest guard and the bad man of the team, a very fast player and a hard one to check, was noted for his unorthodox style of shooting. Ken McLean, brought up from the Intermediates half way through the season, proved he could keep pace with the Senior company.

Much credit is also due Mr. Hackett, who sacrificed a great deal of his own time in order to give the team help.

Intermediate Boys' Interscholastic Basketball

This league, organized for the first time this year, was designed to give more boys a chance to play Interscholastic Basketball. In its first year of play it provided a very good brand of ball, and, while not as accurate as the Seniors they were just as fast, although their shooting was erratic at times.

The Central Intermediates, under the very able coaching of Ross "Shorty" Lawson, were a very crude and inexperienced team at the beginning of the season, but as time wore on and they had more practice with each other, they began to show promise. A well balanced team with lots of height and speed, they were able to cop more than their share of rebounds from their opponents.

Of particular brilliance was Dave Craig, who, as one of the full time players on the team, proved invaluable in the protection of our basket and the breaking up of fast attacks. Fred "101" Ashdown, a slow starter, soon got into his stride and at the end of the season was controlling the opposition back-boards. Glen Edwards and Pete Simon, two fast-breaking sharp-shooting forwards, could also be counted on to come through when the chips were down. Clive Cowin, a sharp-shooting forward, was very deceptive and hard to check; a fighting team man and good for next year's team. Dave Laven and Arnie Murray were two more forwards who proved they could hold their own, Dave a very deceptive shot and very sharp around the key hole. Arnie a very fast forward whose ability to shake a check was renowned. Arnie could out-jump opponents much taller than himself. Bob Campbell, who, through an injury received, was not able to play the last few games, was missed very much. Bob was a good floor checker and a good shot from the corner. Ted "Lank" Allison used his height to good advantage and also worked a fast break. Guards Ed Whittaker, Gren Bill and Rennie Dawson, were the defensive part of the team, along with Dave Craig. Ed, the smallest player on the team, was noted for his close checking and fight. Rennie and Gren were both very good on rebounds and shooting long shots. Gren was noted for his dribbling ability.

The Intermediates just missed the championship in the first year of play—maybe next year is ours.

Front Row (left to right)—Fred Ashdown, Ted Allison (Captain), Rennie Dawson, Ross Lawson (Coach).

Back Row—Pete Simon, Glen Edwards, Bob Campbell, Dave Laven, Ed Whittaker.

Junior Boys' Interscholastic Basketball

This year's Junior Team, although small, had plenty of fight but met with a little tough luck.

Coached by Bud Milner, the team showed remarkable improvement at the end of the season, and if they had played ball at the start of the season, the way they did at the end, they would have made a better showing in the play-offs.

Sparked by flashy forward Arnold Kipnes, the team was small in size but high in spirit. Kipnes, a great ball handler and shooter, had a knack of stealing the ball. Paul Skitch, a later starter on the team, proved he could hold down his position as he starred in his first game; an uncanny shooter. Ted MacDonald had a very fast style of shooting but was high in the scoring list, due to his great floor checking ability. Guard Sherrold Moore was very effective on defence, and did a great amount of play-making on the offensive, while his mate, Bruce MacDonald, controlled most of the rebounds around our basket, and was a very good shot from the corner. Jim Fyfe, a left-hander who used

his height to advantage, was also a smart play-maker. Doug Hamilton and Peter Epp were two fast breaking forwards. Doug's ball handling and quick thinking should stand him in good stead for next year, while Pete, the smallest player on the team, made up for his lack of height by his alertness and accurate shooting. Bob Dinkle planted himself around under the basket most of the time and utilized his height to capture rebounds. Bill Steinberg, a shifty forward and a deadly shot from close in, was out with an injury in the last few games. Quick Harry Palmer was always ready to take advantage of the breaks and could cope with taller fellows in rebound fights. Jack Belkin, a late starter, soon proved his defensive value to the team and also his ability to pick up loose balls. Forward Ken Sharratt and guards Joe Irwin and Bill Milner, played well whenever on the floor and should make good material for next year's team.

If coached along the same lines as they were this year, they form the foundation of great new teams to continue where the old ones left off in the basketball history of Central.

Summary of Games

December 6th saw the three Central teams journey up to Crescent. Suffering from opening night jitters, the three teams from Central were beaten, Juniors 38-28, Intermediates 28-22, and Seniors 53-31. High scorer for Central for the night was Arnold Kipnes with 15 points.

On December 13th, Western invaded the 12th Avenue Auditorium, to suffer two losses at the hands of the Purple and Gold. Central won the Intermediate and Senior games, 37-22 and 35-31 respectively, but lost the Junior tilt 53-27. High scorers for Central were Kipnes and Milner with 12 points each.

On January 17th, Western played host to Central. The Purple and Gold dropped the first two contests. The Juniors lost 45-28 and the Intermediates were outclassed to the tune of 40-24. The Seniors, however, unleashed a terrific brand of ball to win 33-22. High scorers for Central were Jim Seymour with 11 points and Bud Milner with 8.

January 29th found Central's Auditorium invaded by Crescent, who won two games, the Junior and Senior. The Juniors almost won their first game, narrowly missing with a score of 40-38. The Seniors, playing the last part of the game with only four men, due to players being off for five fouls, dropped a closely fought contest by a score of 37-35. The Intermediates, behind 24-14 at half time, came out to play faultless ball in the second half, holding Crescent to only 4 points in the last frame, and winning 36-28. Central marksmen that night were Allison with 15, Bud Milner and Ted MacDonald, 14 points each.

On January 27th, the Juniors lost to Western at Western in a very hard fought game with the close score of 28-26. The Intermediates played very good ball and extended the Westerners to the utmost in an overtime period, only to lose 36-34. The Seniors put on a dazzling exhibition of ball handling and shooting to win 34-30 in the Seniors' best game of the season. High Central scorer for the night was Ted Allison with 15 points.

January 31st was a red letter day around Central. Crescent dropped all three games and the Juniors won theirs 40-37 in a closely fought battle. The Intermediates and Seniors also had to fight tooth and nail to win 39-38 and 45-43 respectively. Jim Seymour put on a fine exhibition and collected 24 points, and Glen Edwards dropped in 17 to lead the scoring parade.

On February 3rd, Crescent got their revenge on their home floor by defeating the Purple and Gold three games. The Juniors were set back 37-29, the Intermediates lost a very close decision 31-30, and the Seniors dropped a hard fought game 42-39. High scorers were Seymour with 13 and Allison with 12 points.

February 14th saw the final league game at Central against Western. The Juniors were outclassed to the tune of 45-31. The Central Intermediates, facing elimination, turned back the Westerners 34-17 in a very classy exhibition. The Seniors, missing big Jim Seymour, lost a very rough contest 40-31. Scoring honors went to Fred Ashdown with 11 and Ted Allison with 9 points.

Finals

On February 21st, Central Intermediates vs. Western and the Seniors vs. Crescent, played the first of a two game, total point series at Western. The Intermediates dropped a hard fought game with a 33-28 score. The Seniors out ran, out passed, out classed and out scored the Crescents in a very exciting game and won 48-39.

February 28th saw the same four teams in action in the last game of the series. The Seniors dropped a heart-breaking overtime game 48-37, to leave Crescent the Senior Champions. The Intermediates were outclassed and lost to the fighting Western team 49-37 and left Western the supreme rulers in the Intermediate division.

Jim Seymour won the scoring honors at the end of the Senior League, with Bud Milner second. Ted Allison was second in the Intermediates, and Arnold Kipnes was third in the Juniors.

Seymour Captures Senior House League Championship

Climaxing the best House League season in the history of the school, Jim Seymour's team captured the Osborne Trophy, emblematic of Senior House League supremacy.

The Senior League saw four teams, under the leadership of Jim Seymour, Ross Lawson, Bud Milner and Pete Lougheed, fight through a very hotly contested schedule.

All teams were tied for first place with only three games to go. Seymour's team then pulled ahead and Milner's and Lawson's teams tied for second, leaving the Lougheed aggregation with the booby prize.

In the first game of the two game, total point semi-finals, Milner beat Lawson by 16 points. In the second game, facing elimination, Lawson's fighting team overwhelmed Milner's by 14 points, but lost on total points.

In the finals, which produced a style of basketball equal to that in the Interscholastic League, Seymour trounced Milner in the first of a "two out of three" series 70-60. In the second game it seemed as though Milner's "never-say-die" squad were going to even things up, but they slipped in the second half to lose 75-59, leaving Seymour's team the Senior House League rulers.

K.K.T. Cup Won By MacDonald

Coasting through a twelve game schedule in the Junior House League with ten wins and two losses, Bruce MacDonald's team won the Kappa Kappa Tau Junior House League Basketball Trophy, in its third year of competition.

The Junior House League, open to all Grade Tens wanting to play basketball, is used as a proving ground to develop talent for the Junior Interscholastic team. The brand of ball at the start of the season was very rugged, with poor passing and shooting and low scores. As the season progressed and final berths were being sought, the games improved every week and in the last two months, they were something to watch. Captains were MacDonald, Dennis, Dinkel and Weir.

Bruce Dennis' team won the right to play Bruce MacDonald's in the finals. In the first game of the finals MacDonald walked all over Dennis and beat him in the first of a best two out of three games, 54-29. In the second game, facing elimination, Dennis held MacDonald in check for the first half, but in the second half loose basketball was their downfall, and the quick forwards were in for more baskets for MacDonald, who won easily, 55-32, and hence the Kappa Kappa Tau Trophy, signifying Junior House League Championship.

Intermediate Girls' Interscholastic Basketball

With Miss James as Advisor, and Ross Lawson as Coach, the girls were able to get some very valuable instruction before the series, although practices did not get under way until after Christmas.

The girls played an exhibition game with Mount Royal College before the series began. This was very close, and despite the fact the Mount Royal girls were older, our team managed to keep the score tied right up until the end when a basket was made on a long shot by one of the Mount Royal girls.

The first game was held at Central vs. Crescent on January 15th, which proved to be a walkover for Central, the final score being 26-4.

The second game was played at Crescent and, although Central won, Crescent showed her they did have a clue about how the game was played.

February 4th brought a crowd out to see the game and cheer leaders to lead the cheers which bolstered the players spirits considerably. However, the Central girls lost the game 41-28 which hit them very hard, as it is the third year in a row that they have been defeated by the Western girls.

Athletics

In a return match with Western, the girls once more returned defeated, vowing that next year (the last for many of the girls) they would show Western that she wasn't unbeatable.

The following games with Crescent lacked interest, with Central winning them all by a considerable margin.

For the past three years the Girls' Basketball Team seems to have followed a pattern, with Western winning every game she plays, Central losing only to Western, and Crescent losing to both schools.

For some reason there are no play-off games in the Girls' Interscholastic League, which is too bad, as Central always feels she could beat Western if she had only one more chance. However, this year, as in the past few years, Western came first, Central second, and Crescent third.

Team—Shirley Douglas, Clara Watson, Flora Morrison, Joan Hayton, Kay Gubbins, Alixe Bures, Lorraine Gilmore, Lois Anderson, Bea Jamieson, Norma Edwards.

High Scorers — Shirley Douglas, Joan Hayton, Flora Morrison. Kay Gubbins.

Junior Girls' Interscholastic Basketball

Central entered only two teams in the League, as she felt there were not enough experienced players to have three really good teams. However, the two teams that were chosen turned in very fine performances.

It was felt that Central should be able to put up some strong opposition against the other schools, with Chris Dunsmore, Sheila Pease, Jean Fox and Jean Turner as the backbone of the team. The girls played four games, two against Crescent and two against Western.

The series began January 15th, and the first game was played at Central between Crescent and Central. This was a game which had everybody guessing, however, Crescent managed to gain a 1 point lead in the last few minutes of play which they held on to until the game was over.

The following week, Central handed out a stinging defeat to Western. The score was 48-6, and the basket-makers were Chris Dunsmore and Sheila Pease. Also, the rest of the team were working expertly and smoothly.

(Left to right)—Ross Lawson (Coach), Shirley Sellars, Jean Fox, Mary Morgan, Nancy Whittaker, Jean Turner, Bev Palfrey, Bev Douglas, Barb Bathie, Joy Cardell, Pat Dale, Sheila Pease.

On January 29th, the girls having played so well the previous week, were a little too confident and became careless, which proved fatal. Crescent used every opportunity to her advantage and managed to beat Central 23-10, which meant Central could not be first in the League standing.

The last game was played against Western at Central and, although Western put up a real battle, they could not equal Central who won 32-14.

Had there been finals, Central could and would have given Crescent a game for first place, but since there was not, Crescent placed first, Central second, and Western third.

Team—Chris Dunsmore, Sheila Pease, Bev Douglas, Nancy Whittaker, Jean Turner, Bev Palfrey, Jean Fox, Sheila McLean, Joy Cardell, Shirley Sellars, Mary Morgan, Pat Dale.

High Scorers—Chris Dunsmore, Sheila Pease, Bev Douglas, Jean Turner.

Douglas Wins Kappa Zi Trophy

This year the girls did not let the fact that they had a hard year ahead of them, prevent them from playing Basketball the way Senior girls have in past years. There was a turn-out to equal that of the Juniors, which is unusual.

From the forty girls, Clara Watson, Shirley Douglas, Kay Gubbins and Flora Morrison were chosen as captains, while they in turn chose their teams.

The Seniors played their games Monday at 4 o'clock, commencing November 11th. The first game was played between Watson and Morrison. Although Watson's team put up a good fight, they could not seem to get started, which proved to be their trouble all season. The girls on Morrison's team were sharp shooters and used all the breaks to their advantage, winning the game 30-16. Douglas and Gubbins followed with a game somewhat similar, and although Gubbins tried hard, it was soon seen that Douglas had the stronger team. The final score was Douglas 27, Gubbins 14.

November 18th brought another defeat for both Watson and Gubbins. This time Watson's was received from Douglas, while Gubbins was white-washed by Morrison.

One of the most exciting games of the series was played between Morrison and Douglas. This play-off proved to be almost a duplicate of the Junior game, with the score tied 11-11 and only seconds remaining. However, the Morrison crew got too excited and one of the girls handed out a foul to Douglas. As Douglas made the shot, both teams were holding their breath and crossing their fingers. But, Douglas, as she usually does when things are tough, made the basket and won the game 12-11. The Kappa Zi Senior Girls' House League Basketball Trophy was presented to Shirley on the Awards Day in June.

Line-Up of Teams

Turner Captures Junior Championship

The Junior girls turned out in fine style when plans for Junior House League Basketball were made this year. With Miss James as the able organizer, the girls were ready to play by November 15th, which is somewhat of a record.

From the forty girls who turned out, Jean Turner, Bev Douglas, Joy Cardell and Bev Palfrey were chosen as captains, while Chris Dunsmore, Sheila Pease and Jean Fox were promoted to Senior House League.

The Junior girls played their games every Friday at noon, commencing on November 15th. Jean Turner and Bev Douglas began the series, putting on a show which proved the games would be both exciting and interesting. Although Douglas won the game with a handsome lead, Turner showed glimmerings of the power we were later to see she had. Immediately following, Joy Cardell and Bev Palfrey played their game, which was very close, the final score being Cardell 15, Palfrey 11.

The second game of the series, played November 22nd, brought a very close, hard-fought game between Turner and Palfrey. Although the margin was small, Turner managed to defeat Palfrey by three points. The final score was 8-5. The following game was well played but not quite so exciting, with Bev Douglas taking the game from Joy Cardell by a score of 28-14.

Athletics

The games played November 29th were not overly interesting, with Bev Douglas defeating Bev Palfrey 16-5 and Jean Turner defeating Joy Cardell 18-10.

The girls had now completed their first round, each team having played the other teams once. December 6th brought the second round, which proved the experience the girls had gained in the first round had benefited their playing immensely.

Turner avenged herself for her first and only defeat of the series by handing Douglas her first and only defeat by a score of 18-12. The Palfrey team also reversed the procedure of the first game by defeating Cardell 19-14.

At the next game Turner's team put on a terrific show of both marksmanship and ball handling, which paid off with a score of 26-10 against Palfrey. Bev Douglas also showed her metal by handing out a 20-7 defeat to Cardell, who tried hard but could not seem to get her plays started.

The sixth game brought the series to a close with Douglas and Turner holding on to their leads by defeating Palfrey and Cardell respectively.

The play-off game between Turner and Douglas was as expected, the best of the series, with both teams guarding closely, dribbling and passing with great skill. With the score tied 11-11 and only 10 seconds remaining, Shirley Sellars made a free shot which won the game and the series.

The line-up of the teams is as follows—The Championship Team consisted of: Jean Turner, Captain; Barb Bathie, Pat Dale, Joyce Wonnacott, Monte Vance, Eileen Anderson, Barb Douglas, Sheila McLean, Anne Robison.

The Runners-up are—Bev Douglas Captain; Elizabeth Walker, Barb Oliver, Nancy Whittaker, Eunice Bergman, Francis Blevis, Bev Caulder, Betty Mack, Eleanor Bevrith.

Bev Palfrey, Captain; Joyce Nordine, Anne Peterson, Dorothy Mack, Hilda Hanen, Shelagh McLean, Hilda Boe, Shirley Baggs, Mary Morgan, Anne Wright.

High Scorer for the League was Jean Turner with a total of 31 points. Runner-up was Nancy Whittaker with a total of 29 points.

Central Wins Hockey Championship

Answering a challenge from St. Joseph's High School in Edmonton to play a Calgary High School for the unofficial Alberta Interscholastic Hockey Championship in a two-game total point series, Central was the only High School to reply.

The games took place at the Arena Friday night, April 11th, and Saturday afternoon, April 12th.

St. Joseph's took the first game 6-5 in a very well-played contest. The Central team worked remarkably well together despite the fact that they had had only three practices.

The second game saw Central on the come-back trail. With their backs to the wall, a hard-skating Central sextet put eight pucks past the Edmonton goalie to the five scored by Edmonton, thus winning the championship by two goals.

The club had a tournament shortly before Easter, with most of the games played at the Glencoe Club. Blake Lilly and Diana Walsh took the honors in the mixed doubles. Blake also came through in the Men's Singles, to win, while Nancy Collinge won the Ladies' Singles. An Interscholastic Tournament was held, with four mixed doubles teams entered from each school. Central played well but were edged out by Crescent.

An Interscholastic Bonspiel was organized and the Calgary Curling Club donated a Trophy for the winners. It was won by Crescent Heights with Central's team, skipped by Ed Kapuscinski finishing second.

CENTRAL'S SECOND STRAIGHT VICTORY IN TRACK MEET

The day dawned bright on May 30th, when, for the second consecutive year the wearers of the Purple and Gold swept to victory in the annual Inter-scholastic Track and Field Meet. The boys amassed a total of 95 points, winning by a margin of 12 over their nearest rivals, Western. In the Girls' Division, Central again paced the Meet with 51 points, 9 points above the second place Western. For the first time, the Track Meet was an all-day affair, introducing several new events and eliminating some of the more obsolete contests. The new events in the Junior Boys' Class were: the 100 yard dash, replacing the 75 yard; 220 yard dash, 440 yard dash replacing the 660 yard run; 120 yard low hurdles; the 440 yard relay replacing the shuttle relay; the running broad jump replacing the standing broad jump. In the Intermediate Boys' Section the 220 yard dash was a new event along with the 440 yard dash, the 120 yard low hurdles and the running high jump, dropping the 660 yard, and the hop, step and jump. In the Senior Boys' Division, the 220, the 440, the 120 yard low hurdles were the new events, eliminating the 880 yard run. In the open events the 1 mile run replaced the 2 mile and the $\frac{1}{2}$ mile was added. Girls' Events remained unchanged.

In the Junior Boys' Division Grant Spiro set the record for the century at 10 $\frac{4}{5}$ seconds. In the 220 yard dash, Howard McCollister took on all competitors and out ran them for the new record of 24 $\frac{2}{5}$ seconds. The Central Junior relay team set a new record for its division of 48 $\frac{1}{5}$ seconds. Allan Durno put the shot to 45 feet 9 $\frac{3}{4}$ inches, to set a new record and lead the field in his class.

In the Intermediate Class, Ted Allison set the future objective of Intermediate High Jumpers at 5' 8".

Shirley Sellars out-leapt all competitors and set a new record in the Junior Girls' High Jump of 4' 6 $\frac{5}{8}$ ".

CENTRAL MAKES SWEEPING VICTORY OF TRACK MEET

Friday afternoon, May 31st, 1946, was a day long to be remembered around the halls of Central. On that blustery, grey afternoon, the young Amazons and Tarzans, with the support of 400 odd cheering supporters reigned supreme at Mewata Stadium, as they swept the field of trophies and awards in winning, for the first time in twenty-five years, the Interscholastic Track Meet, then in its thirty-second year of operation.

Eight records were broken by the boys, three were broken by Central and one tied. Th Central girls accounted for one new mark. "Wild" Bill Fayter clipped 1/5 of a second off the old Intermediate century to set a new mark of 10 1/5 seconds. The Intermediate quarter mile relay flew around the track in 47 4/5 seconds, cutting the old record by 1/5 second. The relay team was composed of four speedsters who went all out for a new mark. They were Pete Lougheed, Bill Fayter, Bob Rutter and Bill Egbert.

Ted Allison bettered the oldest record in the books by jumping 5' 6" in the Junior High Jump, to beat the previous height of 5' 2 1/2", set in 1929 by another Centralite, S. Bell.

Jack Belkin traversed the 75 yard course in the very fast time of 8 1/10 seconds to break the previous record by 3/10 seconds. In all heats it was primarily a race between Central's two junior sprinters, Jack Belkin and Phil Ross.

In the Girls' Division, the "mercury-footed" senior relay team rounded the track in short order to set a new mark at 59 1/5 seconds. Members of the team were Sharon Sprung, Sue Saucier, Alixe Bures, Norma Roberts, Flora Morrison, Edna Morrow, Shirley Douglas and Cecilia Randle.

Kappa Kappa Tau

With the conclusion of this, its twenty-first year as a chartered fraternity, the K.K.T. has been very successful in fulfilling its main purposes which are: (1) to promote and create interest in Athletics in Central, and (2) to develop the members of the fraternity for their futures, by encouraging sportsmanship and brotherhood.

Three Athletic Memorial Award Sweaters are presented annually in honor of Joe Dutton, D'Arcy Scott and Tom Barr, former members of the fraternity who lost their lives while serving with the R.C.A.F. These awards will be presented to the best all-round male athlete in each grade at Central. A cup is presented annually to the Junior Boys' House League Champions. The trophy and miniature, which is presented each Fall to the most valuable player to his team in the Calgary Junior Football League was won this year by Jim Lavery of the East End Stampers.

Social events of the term included several house parties, stags, weiner roasts, a toboggan party, the New Year Party, which was a big success, a raffle, and the annual banquet and election of officers, to be held at the Palliser in June.

Several money-making schemes were carried out during the year and also an enjoyable evening was spent at the home of Bob Pentland, well-known Calgary athlete, where a movie on hunting and fishing was shown by Mr. W. C. Fisher. The ninth annual Rho Round-Up was held within the fraternity.

The Fraternity again presented the Murray Law Memorial Trophy to the outstanding, all-round Grade 12 male student.

The year was brought to a close with the traditional June 30 Party, with a number of the Alumni present.

The Phi Beta Phi Fraternity has again completed a very successful season. At the beginning of the year four new members were inducted: Dave Smith, Bob Kirkpatrick, Reg Harse and Jim Millard. At the conclusion of the five-day initiation, a banquet was held in their honor at the home of Bill Selby.

The policy of an activity every two weeks resulted in many successful events. A series of house parties at the homes of the members, a toboggan party and a hay ride were a few of these events. Many of the functions had not taken place at the time of writing but much was planned for the future.

A very remunerative raffle for a twenty dollar gift certificate was held in January. Proceeds from this raffle went for the payment of cups to be presented each year to the champions of both singles and doubles in the Badminton Club.

Aside from our many social functions, the Sorority held a successful Raffle and a Rummage Sale. Another bright spot in the Sorority year was our annual Coke-Tail Party at the home of Marg Kirkpatrick. Throughout the year donations were made to the Central Booster Club and Junior Hi-Y.

Alpha Sigma Rho

Motto—First and Last.

Colors—Green and Gold.

The Alpha Sigma Rho Sorority was formed in 1929 and is comprised of students from both Central and Western.

This very successful year commenced with a Rushing Party at the home of Anita Timmins and was followed by a Fireside at Kay Shapter's, after which the following girls were initiated into the Sorority: Betty Barclay, Beryl Dutton and Ruth Wylie. Following this, a Breakfast Party was held at Katie Jones' for the new members.

Shortly before Christmas, plans were made for the "Christmas Ball" to be held at the Palliser in collaboration with the Alpha Gamma and Phi Beta Zeta Sororities. This proved to be a gala affair and was enjoyed by over 500 people.

Other activities included a raffle, rummage sales, a hay ride, several house parties, the annual Mother's Day Tea, and the annual Sorority Anniversary Banquet and Party.

A cheque was donated to the Community Chest and a bus was chartered to take the girls and their escorts to Okotoks for the dance.

In closing, we wish the Graduating Class of "47" the very best luck for a promising year.

Cadets

The Central High School Cadet Corps

The Cadet Corps, although small this year, was rated by Captain H. V. Davies, District Cadet Officer, as one of the most efficient corps in Alberta.

We were fortunate last year to be taken into affiliation by the 41st Anti-Tank Regiment, under the direct command of Col. Harkness, M.P. As a result of this, the corps was supplied with brown berets and we were all allowed to put up artillery hat badges—a distinct improvement over the Army Cadet wedge cap.

In addition to the very excellent training offered by the mother regiment, our own Cadet syllabus included: Elementary Drill and Command, and as options, signalling, field craft and map reading, as well as a course in small arms training. Instruction in these subjects was given by Capt. J. W. Hackett and 2nd Lieut. J. O. Ward, formerly a cadet in this corps—"Ozzie" has given excellent assistance to Capt. Hackett during this past year.

There were two big days in the term, both of them being inspections by Capt. Davies. The first one was on February 12th and recently, May 23rd, our annual inspection was held. The former was a general review of Cadet activities as far as they had progressed at that time, while the latter marked the termination of the cadet year and also served to show the Inspecting Officer what we had accomplished in that year. Both of these reviews went off very well and Capt. Davies again praised the work done by the officers and N.C.O.'s in teaching the men.

THE CADET BAND

Whether Central knows it or not, we have in this school the best Cadet Band in the city, if not in Southern Alberta. Much credit for this is due to Drum Major Culkin, who is, incidentally, the only cadet drum major in the province, and Sgt. Watson, who is in charge of the bugles. The band has played frequently at basketball games and also at the Track Meet. To each member of the band, we say "Congratulations! Keep up the good work!"

SHOOTING

Credit goes as well to the marksmanship of the whole corps for their fine showing on the miniature range. Many badges were won by individual cadets—these include: D.C.R.A. 13 2nd Class Patches; 1 Best Shot, awarded

Candida

The Central High School Cadet Corps

to L/Cpl. C. Allen; Strathcona Trust Medals: of the ten awarded in the province, we took three, G. Hughes, C. Allen, T. Walsh. All who qualified in their Annual Test received Crossed Rifles and Crown.

Important also, of course, are the team competitions, in which Central again made a fine showing. As a matter of fact, in one competition, Central Cadets shot targets which could easily have placed among the top ten scores in the Dominion had they not been stolen from Mr. Hackett's office before being tabulated in district headquarters.

Lately we have been shooting recreational targets for which the awards are three patches—expert, marksman and first class. Before the end of June you will see these patches decorating the sweaters of most cadets.

Scotch and Proud of It

A Londoner, Edinburgh bound, shared the train carriage with an elderly glum-looking Scot. At the first stop the man rushed from the carriage, ran down the platform, then rushed back, panting. After the same thing had happened at three stations, the Londoner, his curiosity aroused, asked the reason.

"Well," said the Scot, "I went to London to see a specialist about my heart. He says it's very bad, and if I'm not careful I might drop dead; so I'm just booking from station to station."

At Jack Dempsey's Cafe one prize fighter bragged to another: "Once I fought Jack and had him awfully worried in the third round—he thought he'd killed me."

Slow Torture

A man, in court because he had knocked down and injured a pedestrian, said his car was travelling at the rate of four miles an hour at the time of the accident.

Whereupon the counsel for the victim countered with: "Gentlemen of the jury, the driver of the car has just admitted that he was travelling at only four miles an hour at the time of impact. Think of it. The long agony of my poor unfortunate client, the victim, as the car drove slowly over his body."

I like young Jackie Jenkins' answer when the studio make-up man inquired the other morning how he'd got his hair so mussed. "I slept in it," said Jack.

A boy and a girl went for a walk in the woods. Suddenly they realized they had lost their way.

"I wish Emily Post were here with us," said the boy. "I think we took the wrong fork."

The landlord eyed Gene Nixon coldly. "I must remind you," he said, "that I will not tolerate children, dogs, cats or parrots. And no piano playing. And no radio. Is that clear?"

"Yes, sir," said Gene meekly. "But I think you ought to know that my fountain pen scratches a little."

A panhandler stopped a pedestrian and asked for a quarter. The man dug into his pocket and came up with a few coppers.

"I'm sorry," he said, "but eight cents is all I have right now."

The bum stepped back. "Bah," he growled. "All I've been getting today is a lot of hard luck stories."

A perfume "Lady" for some reason couldn't catch on; then suddenly it became a best seller. Its makers had changed its name to "Hussy".

The teacher wrote on the blackboard: "I ain't had no fun all summer." Then she asked a youngster in the front row: "Harry, what should I do to correct that?"

"Mebbe—get a boy friend," he suggested helpfully.

A negro mother had advised her young son that if he should ever become lost in the woods, to which they were living quite close, he should get down on his hands and knees and pray to God, who would show him the way home. Some time later, as might be expected, he did become lost. After endlessly searching for a way out he gave up and decided to follow his mother's advice. Getting down on his knees he cupped his hands and proceeded to pray. At that time however, a sea gull flew overhead. Looking to his hands, the little boy said, "Oh God, don't hand me that stuff, I'm weally wost."

OVER 25 YEARS SERVICE TO ALBERTA

Ed Whittaker was invited on a deer hunt, and came back to camp pale and perspiring after two hours in the forest, found his host and demanded, "Are all the others out of the woods yet?"

"Yup".

"Well then," sighed Ed, "I've shot a deer."

Pat Chisholm went into the police station to report with detailed description a man who had dragged her down three flights of stairs by the hair and threatened to choke her. "We'll have him in jail in an hour," boasted the sergeant on duty.

"Oh, no," said Pat, "I don't want you to jail him, I just want you to find him. He promised to marry me."

Jean Turner, with a decided preference for a deep cut dress, approached her boy friend when he called on her for a Formal, she, of course in her glorified new gown. "Do I look well in it?" she asked.

"You look divine," assured her boy friend. "But I wish you would get into it a little further."

IT TOOK AMBITION AND DREAMS TO BUILD THE CANADIAN WAY

Pioneers who dreamed of a better future and wanted that future enough to wrest it from an antagonistic wilderness. Pioneers who staked everything they had in the building of businesses and industries. People with courage, skill and enterprise. Some of them failed but those who succeeded opened the path for others to follow.

Calgary was built by such pioneers and its future prosperity depends upon the youth of today, who, bolstered by the benefits of education, will build new businesses and expand old ones, securing their future, making work for others and benefitting everyone.

That's the Canadian way—let's stick to it.

Once, a long time ago, Jack Belkin, Doug Gray, and Bud Culkin went into a store to quench their thirst with a bottle of coke. As they began to drink Doug and Bud decided that Jack should go out and get them each an umbrella. as it had begun to rain cats and dogs. Jack demurred, afraid that if he went they would drink his coke. They, however, convinced him that they would leave his coke untouched, and he started after the umbrellas.

Three weeks passed, and finally Bud said, "Let's drink his coke." "I've been thinking the same thing," said Doug, "so let's do it." From the other end of the counter, near the door, a shrill voice cried, "If you do, I won't go after those umbrellas."

When General Brehon Somervell retired from four years of seven day weeks and twelve hour days, as head of Army Service Forces, he was dog tired. A friend asked him his plans.

"I'm going to rest," he said. "For six weeks I'm going to just sit on the porch. After that, I'm going to start rocking—slowly."

Dave Tomlinson, while in grade six, was asked to write an essay on "The funniest thing I ever saw." He was finished in a minute flat and the teacher asked to see his paper. Dave had written: "The funniest thing I ever saw was too funny for words."

George was the most bashful lad in the school. His friends were astonished when he told them one evening that he was going courting. After an hour's preparation he set out.

In half an hour he returned looking pleased with himself.

"Back so soon?" said one of his friends. "How did you get on?"

"All right," said George with a grin.

"Did you see her?"

"Ay, an' all, an' all, an' if Oi hadn't ducked sharp behind the hedge, she'd av seen me too!"

Mention The Analecta—It Helps!

I should like to take this opportunity to thank the members of the following staffs for their untiring efforts and wonderful co-operation during the past school year. They have received little recognition for their tasks but, without their aid, this Year Book could not possibly have been published.

—BILL EGBERT, Editor.
